

Breaking the Cycle of Exploitation

Friday 2nd October 2026 - 09.00 - 16:30

We put people
first

We work closely with our
patients and communities

We excel from strong
foundations

Join colleagues from health, social care, policing and the voluntary sector for a safeguarding conference exploring current approaches to preventing and responding to exploitation:

Online attendance:

- Participants will be able to attend the event online.
- A Microsoft Teams link will be sent to you three days before the conference.
- [Please register here](#) for online attendance

Topics include:

- Contextual Safeguarding
- Child Exploitation
- Modern Slavery
- Cuckooing
- Online Exploitation

Guest speakers from:

- Metropolitan Police
- Local Authority Services
- Standing Together
- Safer London

For West London staff: Attendance at this conference will contribute towards Part B Safeguarding Adults and Safeguarding Children requirements.

For everyone: It may also support progression towards Level 4 competencies within the Adult and Children's Integrated Framework.

Together, we can strengthen safeguarding practice and help break the cycle of exploitation.
